

# VETERANS AT SHEPPARD

Veterans At Sheppard ("VAS") is the firmwide affinity group for attorney and staff veterans and active military personnel, and their family members. VAS strives to positively impact the veteran community by encouraging Sheppard Mullin attorneys and staff to participate in pro bono projects that serve veterans and their families, to foster the success and development of veterans in the legal field, to lead outreach initiatives to serve veterans in the community, to raising awareness of topics, experiences and skills unique to veterans, to participate in job fairs and events designed to integrate veterans into the workforce, and to partner with clients and other organizations to serve the needs of veterans.
